OPERATIONS OR DEPARTMENTAL MANAGER

WHAT DOES 10:20:70 MEAN?

To give you the best possible apprenticeship experience, we use a 10:20:70 structure to plan your 'off-the-job' time as follows:

10% is made up of virtual or face-to-face workshops that provide an interactive 'kick start' to each topic

20% is made up of online study using our virtual learning platform as well as individual coaching and mentoring sessions and self directed learning

70% is made up of a range of 'knowledge-into-practice' work-based activities and projects, where we work with you to apply your new knowledge and skills in the real world.

This all prepares you for a smooth transition into your end point assessment. **What's not to like?**

AS PART OF YOUR PROGRAMME, WE WILL ALSO:

Offer you MBA level coaches and trainers who can provide individual coaching and feedback using a range of psychometric tools that complement and enhance individual performance. You are fully supported through each stage - all the way to your end point assessment.

Our success rates talk for themselves but talk is cheap. It's the doing that counts and we can do.
